# • ABOUT MARKET STATSVILLE GROUP (MSG) •

Market Statsville Group (MSG) partners with companies and society to confront their essential risks and challenges to capture the enormous opportunities for them. MSG was initiated its working in 2017, and since then, the brand is moving to become a pioneer in business advisory and market research services.

Market Statsville is the leading market research and strategy builder with the depth and breadth of solutions that perfectly suit your every need. MSG provides solutions in a wide range of industry verticals in the form of market sizing, analysis, and incisive business insights. MSG experienced research analysts are proficient at digging deep and providing a variety of customizable data that help you make decisions with clarity, confidence, and impact.

Market Statsville is your global data intelligence partner for reliable market research data, data gathering, and analytical services. MSG also has an extensive network of top-flight domestic and global research personals around the world, enabling us to provide high-quality worldwide research solutions that cater to a well-established company, government organizations, or a startup. MSG's clients have the authority to work directly with one or more of our researchers to gather the most useful data knowledge and analytical plan to formulate it in the actual practice.

Market Statsville Group believes that to succeed, companies or individuals must blend digital and human capabilities most efficiently. MSG diverse and experienced global team of business consultants and market researchers will ensure the valuable reports for our clients through digging in-depth market information and functional expertise to continuously spark the changes and real-time valuation of variation in the market/industry. MSG works in a uniquely collaborative model throughout the business process across the globe to assist the client's company with the most accurate information that they are aiming for in the reports.

# RESEARCH PROCESS

*Our research is an optimum culmination of secondary and primary research, with the latter playing a major role. We also have an in-house repository and access to a number of external regional and global paid databases to help address specific requirements of our clients. The research process begins with a holistic secondary research, followed by expert interviews. The information gathered is then comprehensively analyzed by our highly experienced in-house research panel*

### Floor Grinding Machines Market by Head Type, by Mode of Operation (Remotely Controlled Grinders, Manually Operated Grinders, Handheld Grinders), by Application (Marble and Granite, Concrete, and Others), by End User (Residential, Non-Residential), by Region – Global Share and Forecast to 2030

#### Description

According to the Market Statsville Group (MSG), [the Floor Grinding Machines Market](#) size is expected to grow from USD 291.4 million in 2021 to USD 400.6 million by 2030 at a CAGR of 3.6% from 2022 to 2030.

Below information is analyzed in depth in the report-

Global Floor Grinding Machines Market Revenue, 2018-2023, 2024-2033, (US\$ Millions)

Global Floor Grinding Machines Market Sales Volume, 2018-2023, 2024-2033, (Units)

Share of the top five Floor Grinding Machines companies in 2023 (%)

#### Market Growth Mapping

Qualitative and quantitative methodologies were utilized in the process of market growth mapping. The report offers an extensive examination of market dynamics, including a thorough assessment of the primary factors that drive market expansion, challenges encountered by industry participants, and forthcoming trends that indicate recent development. Prospects for investment and expansion are discerned via a comprehensive SWOT analysis, which evaluates the market's strengths, weakness, opportunities, and threats. The PESTEL analysis, which investigates the technological, environmental, political, economic, and social factors that influence the industry, provides additional depth of analysis. Furthermore, the report incorporates an analysis of PORTER'S 5 forces, which provides valuable perspectives on the sector's profitability and competitive intensity. Moreover, the report covers regulatory landscape, COVID-19 impact analysis, customer sentiment and behavior, trade analysis, supply-demand analysis, and the influence of government policies and other macroeconomic factors.

## Floor Grinding Machines Market Segmentation:

This study offers a thorough segmentation of the Floor Grinding Machines market based on an in-depth examination of the product portfolios and customers of key regional and global market players. By means of a comprehensive examination, we offer detailed perspectives on market segmentation, assisting stakeholders in comprehending the diverse aspects and variables that impact the Floor Grinding Machines market.

### **By Head Type Outlook (Sales, USD Million, 2017-2030)**

- One and Two Head
- Three and Four Head
- Others

### **By Mode of Operation Outlook (Sales, USD Million, 2017-2030)**

- Remotely Controlled Grinders
- Manually Operated Grinders
- Handheld Grinders

### **By Application Outlook (Sales, USD Million, 2017-2030)**

- Marble and Granite
- Concrete
- Others

### **By End User Outlook (Sales, USD Million, 2017-2030)**

- Residential
- Non-Residential

## Competitive Landscape of the Global Floor Grinding Machines Market

This section presents comprehensive information regarding various key players in the Floor Grinding Machines market. Additionally, it offers valuable insights pertaining to recent developments, contributions to the market, and effective marketing tactics. The study also encompasses a dashboard presentation that outlines the recent and current performance of the prominent corporations. The competitive analysis section of the research also encompasses an examination of both domestic and foreign sales, along with a comprehensive mapping of market players based on their respective products. Additionally, a thorough analysis of market share is conducted, focusing on significant firms, brands, producers, and suppliers.

### **The key companies covered in the market report are:**

- Achilli S.r.l
- Bartell Global Inc
- Fujian Xingyi Polishing Machine Co. Ltd.
- HTC Group
- Husqvarna AB
- Klindex Srl
- Levetec
- Linax Co. Ltd
- National Flooring Equipment
- ROLL GmbH
- Scanmaskin Sverige AB
- Tyrolit Group
- Blastrac
- Shanghai Tuomi
- Xingyi Polishing
- Scanmaskin Sverige AB
- Superabrasive
- Linux
- Terrco
- ASL Machines
- Substrate Technology
- Shanghai Qing
- Weijie Environmental
