MyTyles is an Online Retailer in the tiling industry based out of Bangalore, India. The first Indian tile company to offer tiles in both online and offline stores, transparency, variety, and perseverance form the backbone of our organisation. Bringing together a wide range of imported and homegrown tiles from the finest manufacturers across the globe has allowed us to cater to the needs of a modern homeowner.

Since 2016, we have been committed to a vision of a world where Indian consumers can shop for tiles from the comfort of wherever they are over taps and clicks. Showcasing little known, historical, ethnic and trending items together under one brand name is only the first step in that direction.
