Established in 2006, Sports Village is the true pioneer in bringing the best in class fitness solutions to the Qatar market. With Quality and Reliability being our top priority, Sports Village collaborates with the best in the industry. Sports Village has gained a credible reputation within the State of Qatar's fitness community as "the most reliable and trusted fitness partner."

Our company has been at the forefront of fitness equipment distribution and specializes in the supply, installation, and maintenance of the state of the art Commercial and Consumer Fitness Equipment, Spa Equipment (Sauna, Steam, and Jacuzzi), Rubber Flooring, Metal Lockers etc.

With a background in dealing with premier fitness equipment, we evolved into an experienced and complete provider of personalized fitness solutions to a growing community covering Commercial Gyms, Hotels, Apartments, Sports Facilities, Health Clubs, Sports Clubs, Military Facilities and individual Consumers etc.

Our constant quest for technological soundness and end-user satisfaction makes us the unrivalled leaders in Qatar's fitness equipment distribution.

ABOUT US

8 Station Jungle Gym

Colour Options

Customise your equipment by selecting from our large range of frame and upholstery colours at no additional cost.

Optional Front Shrouding

Our Selectorized machines come with rear shrouding as standard, if preferred you can upgrade your equipment to include front shrouding.

Custom Branding

Customise your equipment by adding your club, gym or organisation logo to your machines sweat wrap and weight stack shroud.

Weight Stack Options

The 8 Station Jungle Gym comes with 4 100kg Weight Stacks and 4 125kg Weight Stacks as standard, if required this can be swapped for 75kg or 150kg stacks.

A single gym machine that allows a user to execute numerous exercises on the same machine is known as multi-station gym equipment. A single-user gym machine and a multi-user multi-station gym machine are both offered. Single-user multi-station gym equipment allows just one person to work out at a time, but a commercial multi-station gym machine allows numerous users to work out at the same time. Let's look at some of the most significant benefits of getting a multi-station for your gym.

Perform Many Exercises with Commercial Multi-Station Gym Equipment in Qatar

Our cable stations and multi-gyms provide a modular way to achieve the best exercise. Multi gyms and cable stations from Sports Village Qatar provide the diversity of our strength range while also incorporating the advantages of our stretching goods, resulting in a well-rounded exercise that targets a number of body parts.
